Company Profile

Established in 1975, Al Vakil has been passionately dedicated in the field of manpower management for more than 3 decades. Excellence in work structure and a dedicated team of professionals ensure that we are at par with the changing trends of the industry. Having been pioneers in personnel placement consultancy services, our organizational activities are carried out by a specialized team of experts that live up to the client's expectations and more.

Good business leaders create a vision, fulfill it with passion and drive it with an undeterminable force onto the path of success. And so do we.

VISION :

Al Vakil's vision is to continue exploring newer successes and become the leader in manpower consultants across the world by building long-term positive relationships.

MISSION :

Our Mission is to continue to deliver placements that form winning teams and positively reform organizations by constantly refining our database and bringing a paradigm shift in the selection procedure.

We look forward to providing our services to your organization and build a long-lasting positive relationship with you.

Group History

Corporate Manpower Solutions (CMS) is synonymous with Al Vakil's success in India's Domestic recruitment sector. Headquartered in Mumbai with branches & service agents throughout India and abroad, our state of the offices are equipped with the latest in infrastructure & Information Technology that gives us an unmatched and ever-growing database of qualified professionals, to cater to every client's challenging and technical manpower requirements.

The flagship company of the Al Vakil group, **Personnel Search** specializes in executive recruitments in UAE. It is committed to serve organizations with able and qualified personnel in a way that proves a mutual benefit for both client and organization alike.

Since its inception in 2007, **Trade Links International** delivers quality products to clients. Having tie-ups with companies in china and UAE, Trade links provides assistance in shipping, local intending & procuring in these countries.

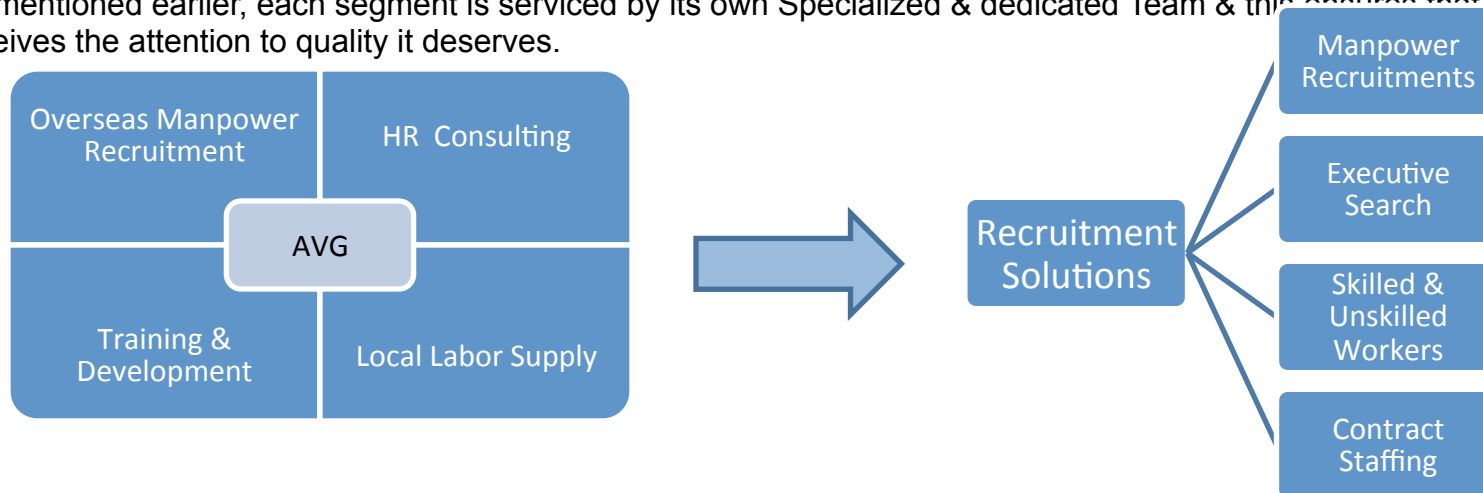

Corporate Training Solutions (CTS) is the latest addition to the already thriving umbrella of Al-Vakil's group of companies. CTS look forward to see itself as one of the most sought after destinations amongst organizations for their corporate training needs.

Our Services – An overview

In the last thirty-two years, our organization has acquired a wide and constantly updated database of Individuals with details about their qualifications, experience and ambitions. We ensure placements through Head-hunting, rich Databanks, Advertisements, foreign Recruitment Associates, all-India sub-agents, and stringent screening processes all managed by experienced professionals. With state of the art offices to hold interviews in, Corporate Manpower Solutions has the capacity to service overseas requirements as well.

Besides our staffing solutions, we also provide other independent services with the aim of supporting our client and its manpower in the form of HR Consulting, Payroll Management and Training & development to minimize attrition and maximize profitability.

As mentioned earlier, each segment is serviced by its own Specialized & dedicated Team & this ensures that each one receives the attention to quality it deserves.
